## Full Stack Web Developer

I am a Professional Front-end and Back-end Developer, with excellence in project delivery. I have more than 15 years of experience in both designs and core development of Web Applications, from conception to delivery. As a Full Stack Developer with a strong passion for solving problems and possessing unique understanding of business logic and rules, I am able to conceptualize project requirements beyond basic to-do list, thereby adding value to every phase of a project's life-cycle.

## Core Competence

I have skills in developing custom applications and I have gained and developed competence (for Front-end and Back-end) in writing Mobile and Web authoring languages such as:

- HTML;
- SCSS (including Bootstrap);
- JavaScript;
- TypeScript;
- Angular;
- PHP;
- MySQL, MS Access, MS SQL;
- JSON, XML, SOAP and working with APIs.

Added values are expert-level skills in Adobe Dreamweaver & Photoshop, Ionic, ScriptCase, WordPress, Joomla, PrestaShop, Magento, OpenCart, WooCommerce, BigCommerce, Moodle LMS, Payment Integrations, Microsoft SharePoint, Linux OS, Windows OS, MacOS, MS Office Suite.
